

AUSTRALIAN MADE

Products I use

Name: _____

List some brand names of products you use or consume at your place (clothing brands, food brands, technology brands etc.)

On the Australian Made website australianmade.com.au research to discover whether each brand is certified Australian Made. If not, can you find an alternative brand that is? Record any differences between the two products below.

Item and brand name	Australian Made Yes/No	If no, is there an alternative Australian Made brand? What is it?	List any differences between the two brands
