

Anzac Day

Poppy flower

What you will need:

- 1 red patty-pan for each flower you want to make
- Small piece of black card
- 1 green drinking straw for each flower you want to make
- Glue stick
- Scissors

Instructions

1. Fold the patty-pan inside out and flatten it open.
2. Attach a straw to the back of your flower with sticky tape.
3. Cut a small circle from the black card and glue it into the centre of your flower.

Plant your poppy along with others to make an ANZAC garden.
