# Christmas Piñata

To make your own piñata decoration, follow these instructions.

What you will need:

- Piñata template *(this can be enlarged to A3 if you wish)*
- scissors
- coloured pencils or Textas
- sticky tape
- tissue paper or scrunched up paper *(to fill the piñata)*
- glue
- crepe paper, glitter or other items to decorate the piñata
- string.

Instructions

1. Cut out the two templates on the next page.
2. If you are going to colour your piñata, it is easier to do it now, before you stick the two pieces together.
3. Lay the two star pieces on top of each other.
4. Use the sticky tape to join the pieces together. Leave one or two points unstuck to allow room for stuffing.
5. Fill the piñata with scrunched up paper or tissue.
6. Stick the last points together to seal the piñata.
7. Decorate the piñata with glitter or scrunched up crepe paper if you wish.
8. Tape a piece of string to the piñata so you can hang it.
