

CALCULATING WITH AUSTRALIAN NOTES AND COINS

It's party time!

Name: _____

You have been given \$200 to plan a party for you and some friends.

How will you spend your budget? What food will you have? Will your party have a theme? Will you save money and have the party at home or spend money on a venue? What decorations will you need? Will there be entertainment? Such a lot to think about!

There is space below and on page 2 for you to decide what you will need then research to find out prices. Good luck!
