

EASTER AROUND THE WORLD

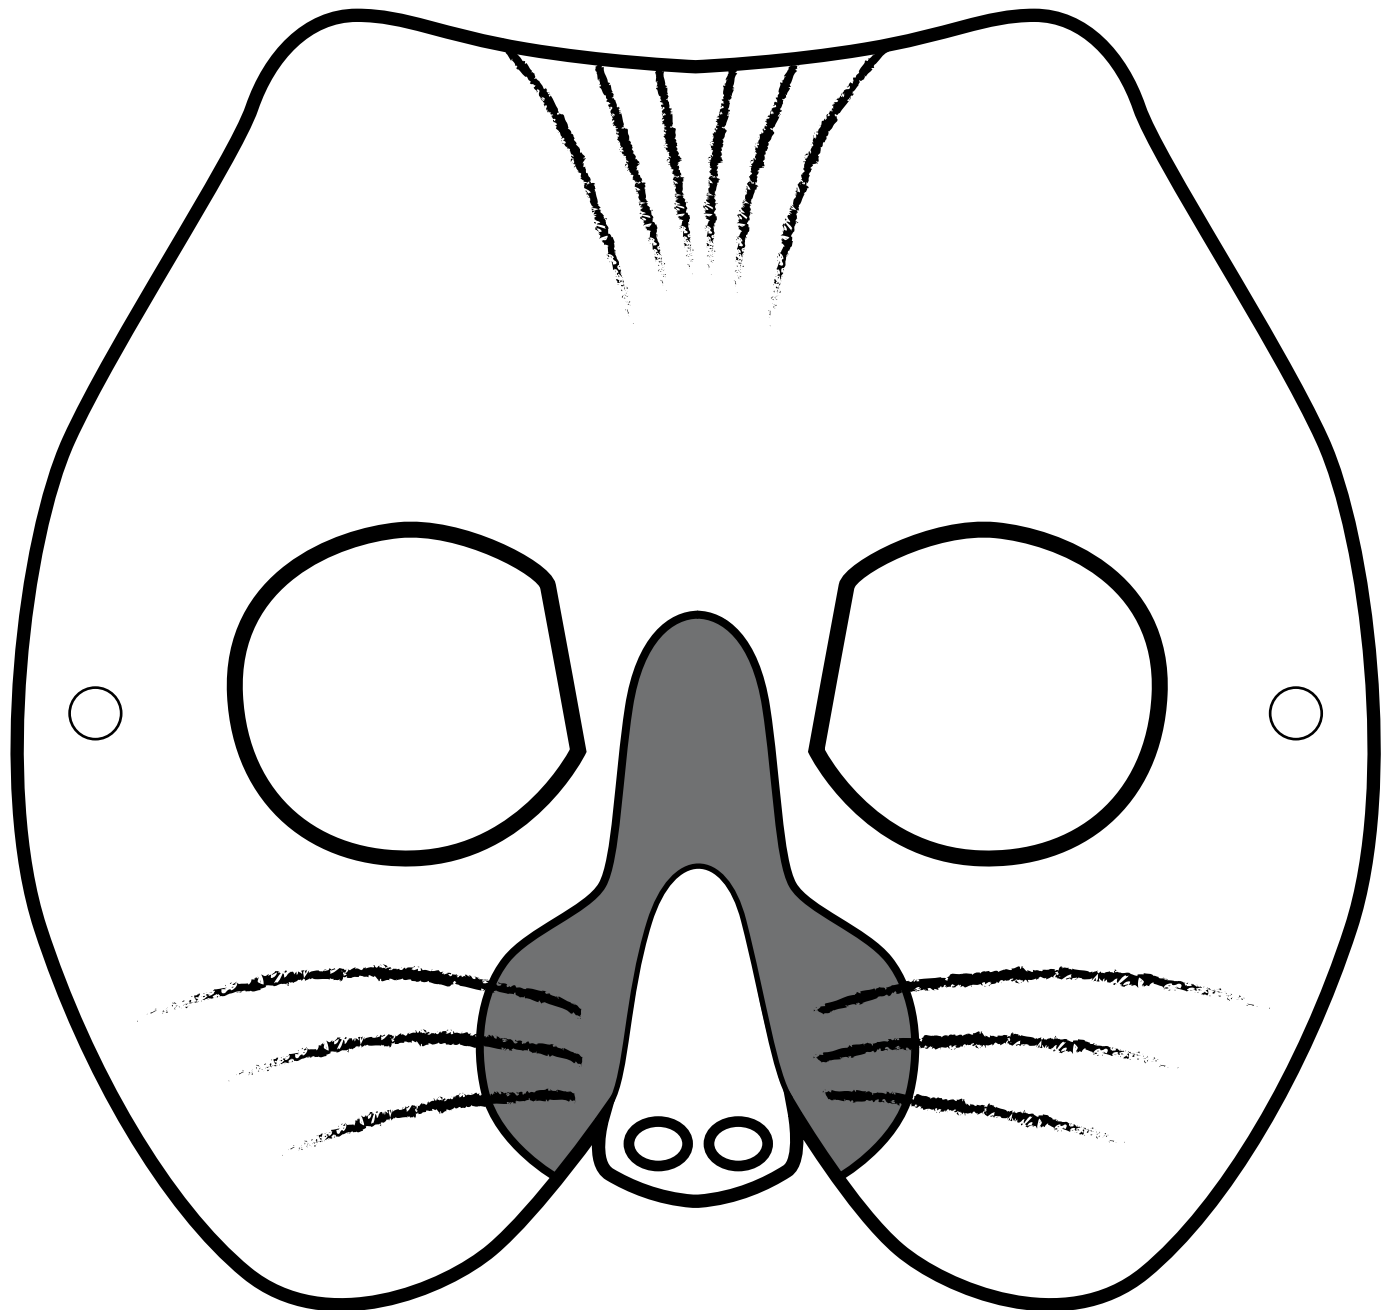

Make an Easter Bilby Mask

Follow the instructions below to make your own Easter Bilby mask.

1. Colour in the Easter Bilby mask and ears.
2. Cut out the mask and ears. Don't forget the eyeholes and the small circles (*you may need to ask an adult to help you with this*).
3. Make a light fold along the dotted lines inside the ears. This will help the ears to stand up straight.
4. Attach the ears to the back of the mask with some glue or sticky tape.
5. Cut a piece of string or elastic (*measure it first to make sure it is the right size for your head*) and tie the ends through the holes in the sides of the mask. Put some sticky tape over the holes to stop the paper from tearing.
6. Wear your new mask.
