### How many words are in the letter?

81

Imagine that each word in the letter costs \$1 to send

1. **How much will it cost to send the whole letter?**

\$81

2. **Circle the sentence which will be the most expensive to send?**

I wanted our new dog Banksy to blow out the candles with me, but all he could do was stand there with his tongue hanging out.

3. **How much will it cost to send this sentence?**

\$26

4. **Underline the sentence which will be the least expensive to send?**

I had my birthday party on Saturday.

5. **How much will it cost to send this sentence?**

\$7

Imagine that each punctuation mark in the letter costs 50 cents.

1. **How many punctuation marks can you find in the letter?**

8

2. **How much will it cost for these punctuation marks?**

\$4

Imagine that each capital letter costs \$2

1. **How many capital letters can you find in the letter?**

13

2. **How much will it cost for these capital letters?**

\$26
