

Eye Health Action Plan

Name/s: _____

Now that you have completed an eye health environment audit it is time to summarise your results and make an action plan.

Summarise the results of your audit:

What areas do you think need to be changed or fixed?

On page 2 there is room to list what you will do (*personally or with your classmates*) to contribute to a positive eye health environment (*at school or home*).

Good Vision for Life

To promote eye health we/I will:
