

HAIKU POEMS

Haiku poems are popular in Japan and they always consist of 3 lines. Haiku poems also always have a certain number of syllables on each line:

- The first line always has five syllables.
- The second line always has seven syllables.
- The third line also has five syllables.

Here is an example of a Haiku poem.

<i>Golden retriever</i>	(5 syllables)
<i>Loves to walk along bush tracks</i>	(7 syllables)
<i>Happy, healthy, fun</i>	(5 syllables)

Using the lines below, create your own Haiku poems about one or more animals.
