

TEMPLATES

Poppy poster

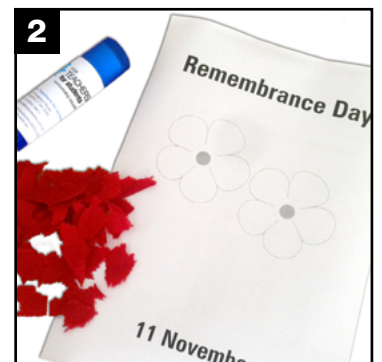

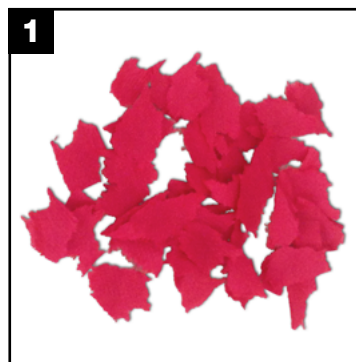

What you will need:

- A4 sheet of white card or paper (or use the template on page 2)
- Red crepe paper or serviette
- Small piece of black card
- Glue stick
- Scissors
- Coloured pencils or textas

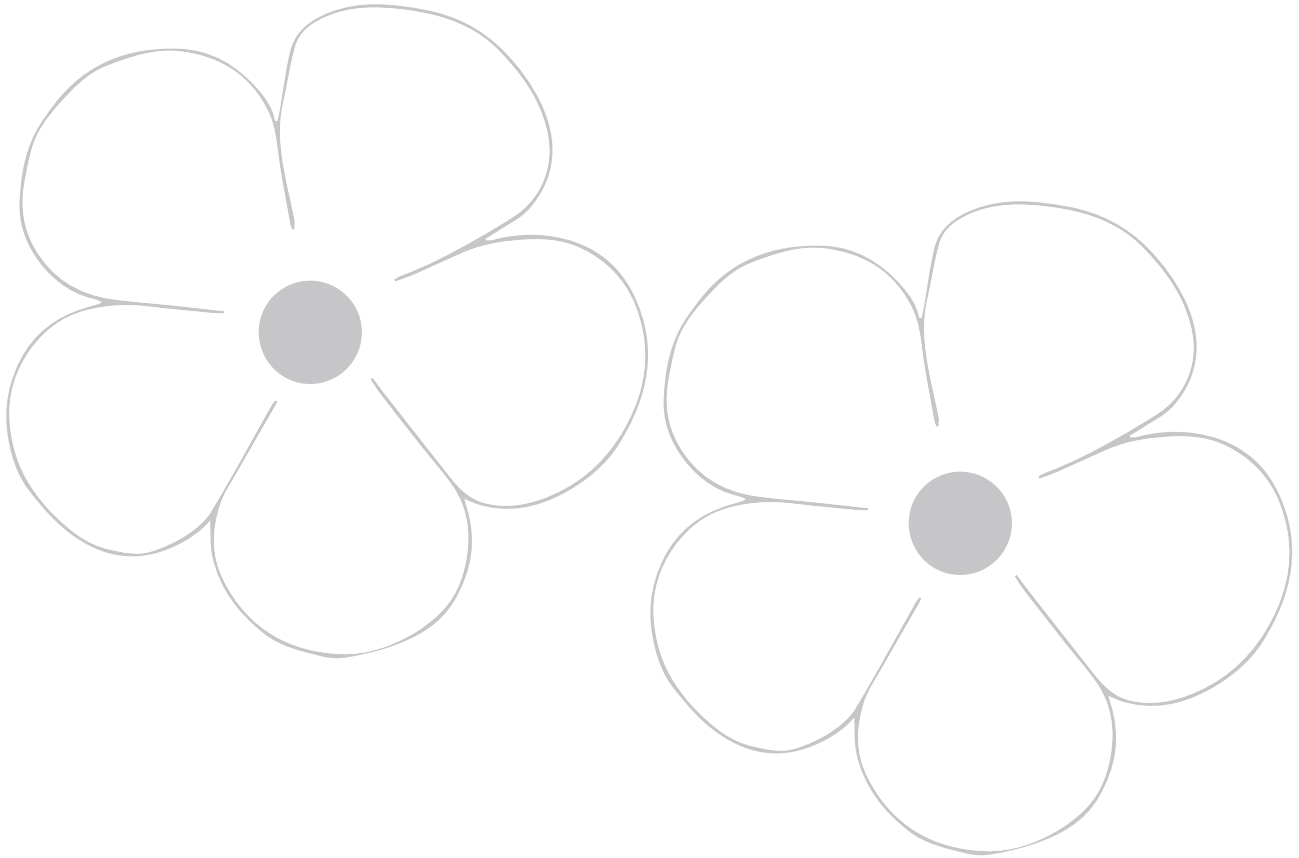

Instructions

1. Tear the crepe paper into small pieces (approximately 1 cm).
2. On the white card or paper, draw two poppy flower outlines or use the template provided.
3. Apply glue to the inside of the flower shapes and begin placing torn red paper into the shapes, taking care to stay as close to the lines as possible.
4. Continue applying paper until both the flowers are covered.
5. Cut two small circles from the black card (about the size of a 10 cent piece) and glue one in the centre of each flower.
6. Use a coloured pencil or texta to add a stem to each flower.

Your poster is finished.
